Eric –

I'll provide a full spreadsheet for the RWS samples shortly (no spreadsheet was attached to your e-mail). For now, you are correct, these are QC samples. Here are the associations:

Sample Name	Sample Type	Associated Well Sample
RW-2112	Field Duplicate	RW-1112
RW-2210	Field Duplicate	RW-1210
RW-3114	Field Blank	RW-1114
RW-2134	Field Duplicate	RW-1134
RW-3025	Field Blank	RW-1025

Hope this answers your question.

**Subject:** Sample locations

Kevin,

We're trying to figure out the coordinates/addresses of the samples in the table below. I'm looking at the decoder spreadsheet dated June 10. Is there a newer version of this? If not, will you please provide the coordinates for the 5 samples listed below (some of these could be QC samples), or better yet, an updated version of the attached spreadsheet that includes all of the residential well locations including these?

Thanks,  
Eric

Sample Name
RW-2112
RW-2210
RW-3114
RW-2134
RW-3025
